

A Pre-Assignment Education Discussion Paper for Parents

Edition for Europe Area W.O.s

The purpose of this paper is to help you as a Wycliffe family consider what your educational hopes and expectations are for your children. Once these issues are considered, you should be able to discuss, along with your Wycliffe Organisation (W.O.) what assignment options may be suitable for you as a family.

Parents' Names: _____ W.O.: _____

Children's names

Ages

Dates of birth

It would be helpful if parents completed papers individually then discussed their answers together before meeting with a WO person. For each statement below, except the last, please mark how strongly you agree or disagree.

agree disagree

1....2....3....4....5

1. Our children should be able to communicate and interact in the host culture where we will work.

1....2....3....4....5

2. Our children should become as fluent as possible in the national language.

1....2....3....4....5

3. Our children should study at the same academic level as their peers in our home culture.

1....2....3....4....5

4. Our children's secondary schooling should prepare them to enter higher education or similar training in our home country.

1....2....3....4....5

5. The education our children receive on the field should match education at home in terms of technology, and resources.

1....2....3....4....5

6. It is important that our children identify our home culture as their home culture.

1....2....3....4....5

7. Most of the teachers of our children should be from our home culture.

1....2....3....4....5

8. Most of the teachers of our children should be Christians.

1....2....3....4....5

9. At least one of us parents should have significant time to assist our children educationally.

1....2....3....4....5
